About Me

I am a second year undergraduate student. I am pursuing my course in Computer engineering. I have excellent leadership qualities as well as I'm good at managing my work. Also, I'm a keen learner , so I'm looking forward to learn new skills & boost my current one's. I will give my best efforts to the allotted task.

Certfications

- **Certificate of participation in CSI-TCET project competition where we built a Library Management System.**
- **Certificate of completion of Front End development - HTML course by Great Learning**
- **Certificate for building a system named 'Academia' by Visual Basics 6.0**
- **Certificate for completing Smart English basics for professionals course by Great Learning.**

Roles played

- I was the team leader for project competition held by CSI-TCET (Computer Society of India-TCET)
- My article was published in my school magazine, its topic was 'Social Media'
