SUMMARY

I am a second year undergraduate student. I am pursuing my course in Computer engineering. I have excellent leadership qualities as well as I'm good at managing my work. Also, I'm a keen learner , so I'm looking forward to learn new skills & boost my current one's. I will give my best efforts to the allotted task. Also, I'm a an open source enthusiast and so I have made some contributions in Hacktoberfest 2023 too which are merged & currently under review.
